

## FAQ / Frequently Asked Questions

### 1. What is the minimum/maximum age to apply to the audition of La Manufacture?

- There is no limit of age. But you need to be 18 before the opening of the academic year (mid-September 2018).

### 2. (Bachelor dance) Could I audition through videos?

- If you are leaving outside the Schengen area, and only then, it is possible to audition through videos but only for the first round of the audition and after accord from the academic head of the Bachelor, Mr. Gabriel Schenker. He will be sending special requirements to produce the videos. If you are selected, you'll need to participate in person to the second round that will be taking place in Lausanne.

### 3. How many time could I apply to the auditions of La Manufacture?

- If she/he's not selected after an audition, a candidate could apply two times more for a total of 3 times. The delay between to attempts is of one year.

### 4. What is the official language of work at La Manufacture?

- La Manufacture is located in the French speaking part of Switzerland (Romandie). Therefore, the main language of life and work at La Manufacture is French. A solid knowledge of French is specifically required for the Master and Bachelor degrees in Theater. In the Bachelor in Dance, the classes and workshops are given in French and/or English. Strong basics in both languages are needed.

### 5. When will the selected candidates be notified of the results?

- For both Theater and Dance Bachelors auditions the selected candidates will be notified in person at the end of the last day of the second round of the audition. A written confirmation will be sent by email within the following week.
- For the Master in Theater, selected candidates will be receiving a written confirmation by email within the first week after the audition.

### 6. Does La Manufacture directly manage grants?

- La Manufacture itself does not attribute scholarships. Though a subsidiary grant might be given by the *Association des Artisans*, attached to our school. Applications open early October.

### 7. Is it possible to have a student job while studying at La Manufacture?

- All courses are to be followed full-time. It is therefore possible to work outside the official schedule, at night, during the weekends and/or the holidays. Though, we underline that the general sustained pace of the studies and the complementary schoolwork expected makes it quite difficult to hold.
- Because of the high cost of living in Switzerland, please note that a student job only will not be sufficient to cover for all your expenses.
